Investment Summit 2026 - Angola

The Global Tourism Forum – Angola Investment Summit 2026 is a landmark platform designed to mobilize global capital, strengthen public-private collaboration, and strategically position Angola as one of Africa's most dynamic emerging tourism and investment destinations.

Held in **Luanda from 7–9 May 2026**, the Summit will bring together heads of state, ministers, sovereign wealth funds, global hotel operators, aviation leaders, infrastructure companies, and private investors from across the globe.

This high-level conference will convene:

- **Heads of State and Ministers**
- **Sovereign wealth funds, financial institutions, and global investors**
- **CEOs of leading hotel groups, infrastructure companies, aviation partners, and technology innovators**
- **International organizations, development banks, and destination experts**

A central component of the Summit is the Angola Tourism Investment Expo, showcasing provincial tourism assets, national investment-ready projects, and private-sector ventures across hospitality, aviation, ecotourism, real estate, and cultural tourism.

The Summit's overarching mission:

Attract transformative investment and accelerate Angola's long-term economic diversification through tourism-led growth.

Vision & Strategic Rationale

Angola is undergoing a historic economic transformation. With unparalleled natural landscapes, rich cultural heritage, and a renewed commitment to diversification, the country is emerging as a major tourism investment frontier.

The Angola Investment Summit 2026 aims to:

- Position Angola as a premier global tourism investment destination
- Showcase high-impact national and provincial tourism projects
- Support the government's tourism masterplan and diversification agenda
- Facilitate partnerships with international hotel brands and investors
- Expand aviation connectivity and transport infrastructure
- Advance ecotourism, coastal development, and cultural tourism
- Promote sustainable and inclusive economic growth

Event Architecture & Key Components

A. High-Level Summit

Featuring global leaders and industry authorities:

- Heads of State & Ministers
- CEOs of major hotel groups (Hilton, Marriott, Accor, IHG, Radisson)
- Sovereign wealth funds & private equity firms
- Airlines, airports & civil aviation authorities
- Infrastructure, investment & technology leaders

B. Ministerial & CEO Roundtables

Closed-door sessions focused on:

- Tourism investment frameworks & incentives
- PPP models and regulatory reforms
- National aviation strategy & new routes
- Provincial tourism development strategies
- Human capital, education & workforce development

C. Investor Matchmaking Program

A structured B2B platform connecting:

- Investors with project owners
- Hotel operators with developers
- Technology companies with tourism SMEs
- Financial institutions with bankable projects

D. Angola Tourism Investment Expo

A high-impact exhibition platform presenting:

- Provincial tourism portfolios & masterplans
- National tourism zones and strategic land banks
- Hospitality, resort & mixed-use development opportunities
- African and international private-sector tourism projects
- Airlines, airports & mobility innovations
- Technology and smart-destination solutions

Expected Outcomes

- USD 1 billion in projected new investments
- Strengthened global positioning of Angola as an emerging tourism hub
- Signing of new PPP agreements, MOUs & project mandates
- Increased international air connectivity
- International media exposure including Euronews
- Capacity-building partnerships for tourism education & workforce growth
- Acceleration of new tourism corridors and development clusters
